

Conservation & Natural Resources Intern

Campbell County Conservation District - Gillette, WY

Description

The Campbell County Conservation District (CCCD), located in Gillette and serving Campbell County, is hiring a Conservation & Natural Resources Intern to assist the District with natural resource activities during the 2024 primary recreation season (May – August*). This is a **part-time (not to exceed 30 hrs./week), seasonal position** with a pay rate of **\$18/hr.**

*Start and end dates flexible dependent on the chosen applicant's needs

General Requirements

- Age 18 or older.
- High School Diploma and/or GED.
- Interest in pursuing a career in the Environmental Sciences, Ecology, Watershed Science, or a related field.
- Basic computer knowledge and/or skills, mainly Microsoft Excel.

General Duties

- Assist in multiple programs at CCCD. This includes, but is not limited to;
 - Water quality sampling.
 - Surveying and equipment operation.
 - Maintenance of the office and equipment.
 - Youth environmental education events, classroom visits, natural resource camps.
- Enter water sampling data into appropriate databases and keep information current and accurate.
- Maintain water sampling equipment, including calibration and cleaning.
- Assist partner organizations (e.g., NRCS, Bird Conservancy of the Rockies, FSA) as needed on special projects, field visits, etc.
- Other duties as assigned.

Supervision

- CCCD District Manager establishes priorities.
- Supervision will be under the direction of CCCD District Manager.

Physical Requirements

- Endure extended periods of sitting, standing, walking, stooping, kneeling, bending, lifting, etc.
- Lift up to 50 pounds.
- Work equally well in indoor and outdoor environments.
- Tolerate temperature extremes, intense sunlight, rain and/or snow, high winds, dust, pollen, etc.
- Work and wade in flowing water.
