

Storm Drain Marking Program

We are proud to announce approximately 1300 markers have been placed on the storm drains that flow into Gillette Fishing Lake! Crystal Kellebrew, CCCD and Mattie Hepp, Earth Team volunteer were responsible for placing 900. Jake Staples and Boy Scout Troop 51 placed 400.

Thank you to the City of Gillette for purchasing the storm drain stickers and to the volunteers who made this possible. Our plans are to continue to work with the City and place stickers in the newly developed areas and also on South Douglas Highway after the construction is complete.
